Top 10 artists who have written the most number of rock songs

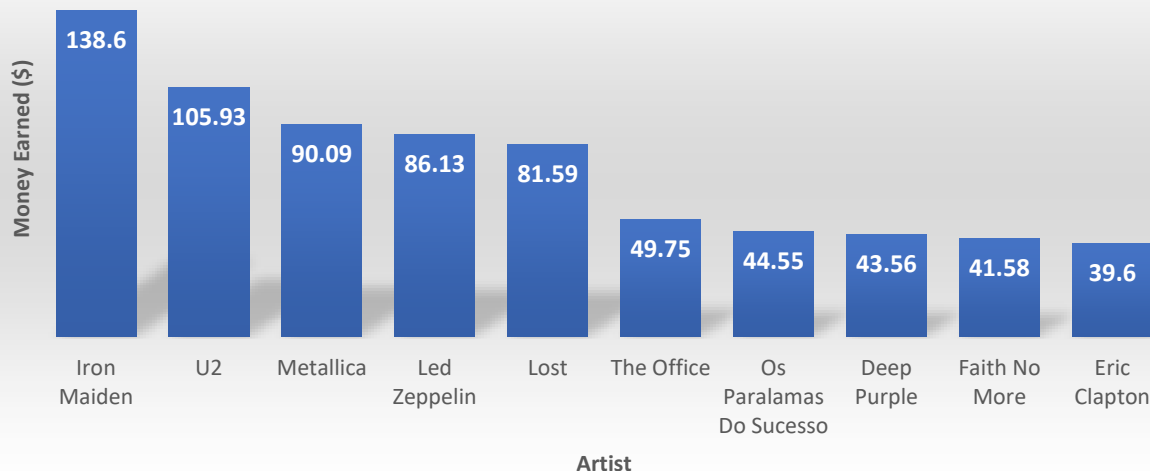

Top 10 Rock Songs Artist based of Number of Songs

Led Zeppelin and U2 wrote the most number of rock songs compare to the rest of the rock song artists. The difference of number of rock songs written by Led Zeppelin and U2 is only 2, but it dropped significantly starting from the 3rd highest.

Top 10 artists who earned the most money

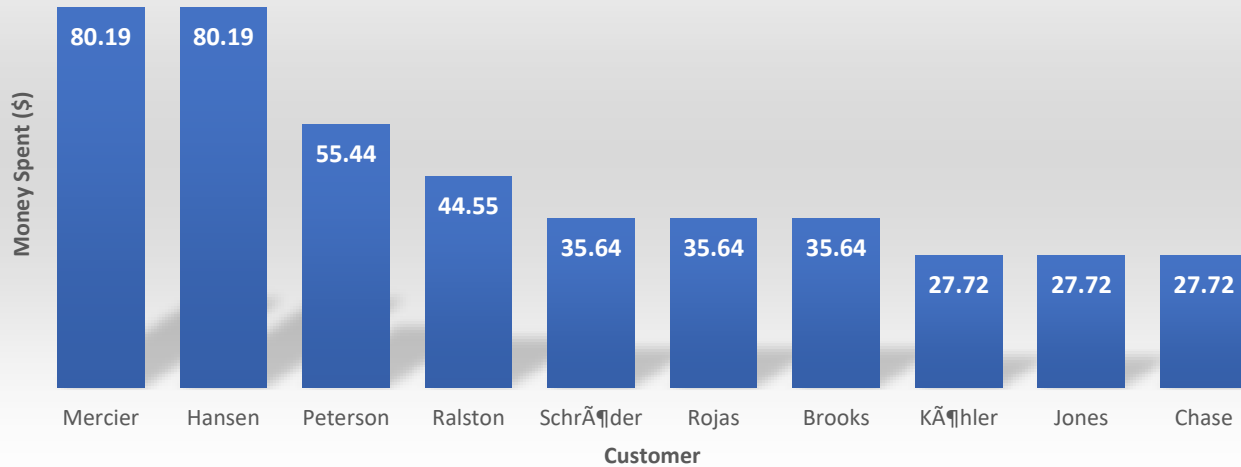

Top 10 Artists Who Earned Most Money

Iron Maiden dominates the music industry in terms of who earned the most money. If we compare the 2nd in the chart, U2, it is not even close to Iron Maiden since it's almost 33% lower compared to it.

Top 10 customers spending who bought Led Zeppelin and U2 tracks

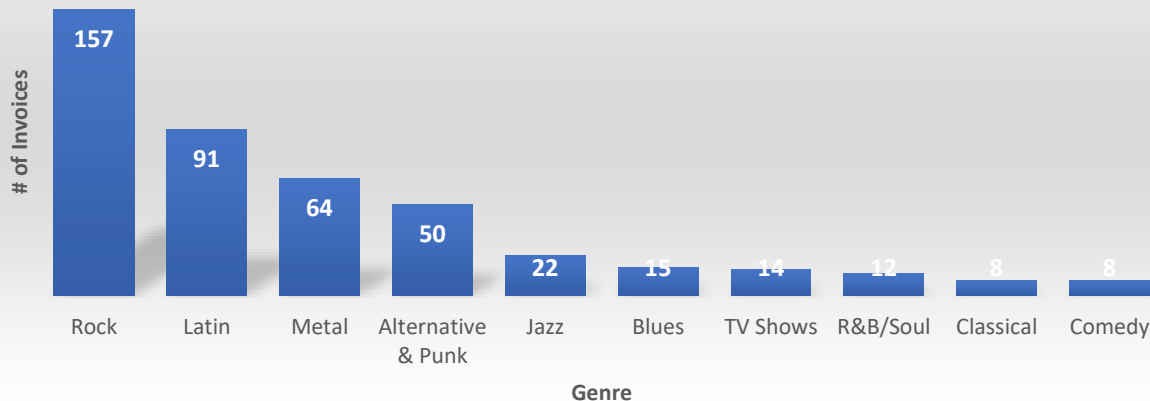

Top 10 Customers Spending Who Bought Led Zeppelin and U2 Tracks

Since Led Zeppelin and U2 wrote the most number of rock songs according to query #1. This query checks who are the biggest buyer of those 2 bands. Turns out both Mercier and Hansen spent the same amount of money.

Top 10 genre in USA based on number of invoices

Top 10 Genre in the USA Based on Number of Invoices

It is not surprising to see Rock as the winner of the genre race in the USA music industry considering the result of the previous query. What is surprising is the missing "Pop" existence in the top 10 chart considering it's played almost everyday in the radio.

Thank you!
